

Cape Peninsula Tour – Cape Town's Best

COLLECT and drop-off at the CTICC (Entrance 1)

The Cape Peninsula Tour will take you around the entire Peninsula and show you the wonders of Cape Town - from the unspoiled beaches, to the spectacular sight of Cape Point!

Our journey to Cape Point takes us along the majestic Atlantic seaboard. We pass the pristine beaches of **Clifton and Camps Bay** with their soft white sand and striking blue water. The formidable 12 Apostle Peaks rise above the road on one side, while sheer cliffs and incredible rock formations drop into the cold Atlantic Ocean on the other side.

There is no doubt the coast of the Cape Peninsula offers magnificent scenery with its great biodiversity.

We arrive at the quaint fishing village of **Hout Bay** with its imposing Sentinel. Here you can enjoy a 40min boat ride to Seal Island (*optional & weather permitting*) or shop for souvenirs at the harbour craft market.

Our tour continues over **Chapman's Peak** which offers amazing photo opportunities, and then onto the **Cape of Good Hope Nature Reserve**. This reserve is home to; magnificent 'fynbos', many different species of buck and birds including ostriches and the ever popular and mischievous **baboons**. Take a leisurely walk up to the lighthouse to see "**the mythical meeting**" of the **Atlantic and Indian Oceans**.

We then visit **Boulders Beach** one of the only places in the world that you can swim alongside penguins – there is the option to view our tuxedo-dressed friends up close on the beach in the Penguin Sanctuary. We then drive to **Simonstown**, the seat of the SA Navy, which has a charming coastal town atmosphere and a vibrant history. We then continue our way around the False Bay Coast back towards the CBD, a fitting end to a day filled with all the Cape has to offer.
